

Smile Bright Dental

Financing Options

We understand that dental treatments can be a significant investment. That's why we offer various financing options to help make your dental care more affordable. Our goal is to ensure you can receive the dental care you need without financial stress.

CareCredit

CareCredit is a healthcare credit card that offers special financing options for dental care:

0% interest for 6, 12, or 24 months (based on treatment amount)

Quick and easy application process

No annual fees

Can be used for future dental and medical expenses

Accepted at over 200,000 healthcare providers

Lending Club Patient Solutions

For larger treatment plans, we offer financing through Lending Club:

Fixed monthly payments

Terms from 24 to 84 months

Competitive interest rates

Quick approval process

No prepayment penalties

In-Office Payment Plans

We offer flexible in-office payment plans for patients who need to spread out their payments:

No interest charges

Customizable payment schedules

Automatic payment options available

No credit check required for amounts under \$1,000

Convenient monthly payments

[Contact Us](#)

Health Savings Accounts (HSA) & Flexible Spending Accounts (FSA)

We accept payments from both HSA and FSA accounts:

Use pre-tax dollars for dental care

Save on your overall healthcare costs

Convenient payment options

Can be combined with other financing options

Important Information

- *All financing options are subject to approval*
- *Interest rates and terms may vary based on credit history*
- *Some financing options may require a minimum treatment amount*
- *We recommend applying for financing before your treatment begins*

To learn more about our financing options or to discuss a specific treatment plan, please contact our office. Our team will work with you to find the best solution for your needs and budget.
